Dear Dr. M. Syed Ali,

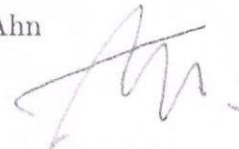

I am glad to inform you that I would be pleased to host you as a postdoctoral researcher for studies in Korea University. We will focus on the study on stability, control, and filtering for dynamical systems during your visit. I sincerely think that your stay will be productive and of mutual benefit. During your stay, you will have access to all usual services (secretarial assistance, library, computer network, and so on). Please do not hesitate to contact me for anything you may need to realize this visit.

Best regards,

**Re: Invitation to Visiting Research Professor**

Dear Dr. M. Syed Ali

I am the Director of Research Center for Wind Energy Systems, Kunsan National University, Korea, which involves academic research as well as applications related to renewable energy. It is my pleasure to congratulate you for being accepted as a short-term visiting research professor in our center at Kunsan National University.

I am well aware of your excellent research in the area of applied mathematics, nonlinear control, dynamic systems, intelligent control, and its application to related areas. Therefore, I would like to invite you as a visiting research professor in our center. I am also pleased to inform you that your research potential has successfully met the admission requirements at our center.

If you accept my invitation, I would like to know when you can come as a visiting research professor. I would like for you to come as soon as possible.

We look forward to your response at your earliest convenience.

Thank you for your kind attention and consideration.

Sincerely yours,

*Young Hoon Joo*

# The International Research Leadership Award

Sponsored by the International Research Councils

TO : Ernest David

RULA ID : RULH008

**AWARD TITLE : Best Researcher in Nanomedicine**

The *International Research Leadership Award* is intended to celebrate research excellence and to increase trans-disciplinary exposure to exemplars in teaching and the diverse ways in which the research learning experience is enhanced by educators and researcher supports worldwide.

The Award for International Educational Leadership acknowledges and celebrates exemplary research leadership on the prestigious day, India's Republic Day, 26<sup>th</sup> January\_2020 at Grandeur Hall, Hotel Breeze Residency, Trichy, Tamilnadu.

## Criteria

The nominee who have demonstrated leadership in influencing positive research change, new program directions, or in promoting & supporting effective research and improved development.

## Recognition- Winners will:

- Be presented with the award at a high-profile celebration of Research Leadership event
- Receive accreditation from various reputed international councils and research board toward attendance at a research conference to present their innovation or as contribution towards further leadership research initiative(s)
- Have access to an Research Developer from the WRC to assist with conference proposal preparation and other forms of dissemination or to further research leadership initiative(s)

## Selection Committee

The committee, chaired by the Associate Vice-Provost (Research, Teaching & Learning) or delegate and a representative of the WRC, will adjudicate the nomination files. The committee will be guided in its adjudication by an assessment rubric based on the criteria for the award.

## NOTICE BOARD

For daily updates, instructions, support & information regarding Research Leadership Award Celebration, the nominee that is the prospective recipient of award is requested to visit the webpage, <https://www.rulaawards.com/notice-board/> at least once in a day.

**Thanks & Regards,**
