Dear Dr.Murugan,
Greetings

I am very much pleased to inform you that Expert Committee constituted for selection of various awards among the nominations received by the Association of Biotechnology and Pharmacy (www.abap.co.in), has recommended your name for the award of INDICASAT-ABAP Distinguished Scientist Award. I congratulate you for the esteemed distinction being conferred on you. The award will be presented **during the 10th Annual Convention of Association of Biotechnology and Pharmacy** International Conference on Environmental Conservation and Human Health – Challenges and Strategies (ICECH-2016) **on 21-23 December, 2016**. The award winners need to be present during the inaugural function of the Annual Convention and deliver a lecture on their research expertise relevant to the theme of the seminar. The exact time and duration of the presentation will be intimated soon.

The **Association of Biotechnology and Pharmacy** was established in January, 2007 with a motive to propagate the Biotechnology and Pharmacy globally to the scientific community. And ABAP has become one of the leading scientific organization in the world and publishing an international scientific journal, **Current Trends in Biotechnology and Pharmacy** and organizing its annual scientific meetings regularly.

Looking forward for your gracious presence during the annual convention and International Conference.

Best regards

(Prof.K.R.S.Sambasiva Rao, PhD., DSc)
