

## UGC NET: Computer Science

S.No	Subject
1	Programming Language
2	Data Structure and Algorithms
3	Database Management Systems
4	Operating Systems
5	Computer networks
6	System Software
7	Computer Organisation and Architecture
8	Microprocessor and Interface
9	Mobile Computing
10.	Cloud Computing
11	Network Security
12	Distributed Computing
13	Web Technology
14	User Interface Design
15	Computer Graphics
16	Multi media
17	Big Data Analytics
18	Internet things
19	Block chain
20	Virtual reality, Argumentative Reality and Mixed reality
21	Image Processing
22	Ad hoc Networks
23	Mobile Applications
24	Knowledge Management
25	Artificial Intelligence
26	Machine Learning
27	Artificial Neural Networks
28	Cryptography and Algorithms
