All the Arts and Science Affiliated Colleges by Thiruvalluvar University

Sub: Request to send articles for publication - Reg.

In order to promote research activities as per the direction of our Vice Chancellor, among the faculty members, students, research scholars and scientist, Thiruvalluvar University has proposed to establish two International Journals as multi disciplinary in online mode. One for Science subjects and another journal for arts, humanities and management subjects. First Issue of these two journals will be published shortly. These two journals have international editors and rich experienced academicians in the Editorial board. Surely these two journals will be indexed by the International journal indexing database in future. In this connection all the principals are requested to inform the faculty members, students and research scholars to send the research papers/articles to Thiruvalluvar University for publication on or before 07.10.2019. Your earnest cooperation is solicited in this regard.

- 1). For Science subjects kindly send the articles to the e-mail ids: sciencejournaltvu@gmail.com and sciencejournal@tvu.edu.in
- 2). For arts, humanities and management Subjects, kindly send the articles to the e-mail ids: artsjournaltvu@gmail.com and artsjournal@tvu.edu.in

Guidelines to Authors: International Journal of Science subjects

Thiruvalluvar University(TVU) likes to establish an International Journals in Science: TVU International Journal of Science, is an open access quarterly journal brought out by Thiruvalluvar University, Vellore, a leading state university offering higher education in Arts, Science and Humanities relevant to the current and projected means of the society. TVU invites manuscripts that provide novel insights in all areas of Science.

The manuscript should be rigorous, the research findings should be supported by either empirical data or a well-justified theoretical model and it should also be well written. While these two requirements are necessary for acceptance, they do not guarantee acceptance. The sole criterion for publication is contribution to the existing literature. Full-length research papers must be written in an easily accessible style, where specialised concepts/research are presented concisely, highlighting key insights and tangible outcomes. After publishing the journal is available online at <https://www.tvu.edu.in/>, TVU online journal is a peer-reviewed journal and follows a review process. All papers submitted to TVU go through a preliminary review at the editorial desk and those considered appropriate are sent to the associate Editor. On the recommendation of the Associate Editor, the article may be accepted or assigned to two reviewers. While an initial review may take a month, a full-fledged review may take a maximum of 3 months. Subsequent revisions may necessitate a longer review process. Submission of Articles: Authors may submit their papers through at e-mail ids: sciencejournaltvu@gmail.com and sciencejournal@tvu.edu.in., where further information on the process of submission and registration is available.

Submission of a manuscript to TVU Journal implies a commitment by the author to publish in it. Along with the manuscript, authors should provide confirmation that 1). the article is the original work of the author(s) 2). The Article (or a significant portion of it) has not been published earlier; 3). It is not under consideration for publication elsewhere; and 4). All copyright requirements is respect of material used directly or indirectly in the article have been duly met. Articles using information which is not in the public domain about organisation must be accompanied by written permission from the authorities concerned. The editors reserve the right to accept or refuse an article for publication, and they are under no obligation to assign reasons for their decision. TVU Journal reserves the right to amend the final version of the paper to suit the journal's requirements.

Format: Cover page: The manuscript should be accompanied by a cover page containing the article title, the names and affiliations of all the authors (the order of placing author names should be specified), along with postal address, phone and fax numbers and email address. Details of the authors name and affiliation should not appear elsewhere in the manuscript. In the case of multiple authors, the cover page should contain the article title, the abstract (not more than 100 words) and keywords (a maximum of 5 keywords). Body of the Article: Material may be formatted in **Times New Roman, font size 12 and single line spaced**. All tables and figures must be serially numbered. Sequentially following references to them in the text. All tables and figures are also to be presented in a separate Word Document and file names should clearly specify the paper to which the exhibits belong. Tables and figures should carry explanatory notes and legends for clarity or to indicate the source, as necessary; all abbreviations should be

expanded. (E.g. Fig. 1. For figures and TABLE I for tables). All exhibits should be in black and white only.

TVU follows British spelling (e.g. centre, programme, and colour), except in the case of direct quotations. Figures should be indicated in million and billion. Whenever possible, explanatory theories /concepts and other background material of a Historical or collateral nature, and case illustration/anecdotal applications should be presented in text boxes to ensure that they do not interfere with the flow of the main text.
