I am by direction to inform that we are in receipt of various representations from the Principals of affiliated Colleges. You have requested for extension of three months time from today stating that the Syndicate is yet to resolve the matter of annual inspection.

The Ordinances of this University has been duly approved by the Syndicate based on the recommendation of the Academic Council and it is finalized in the form of Ordinances.

Hence, we are not in a position to give extension of three months time as requested by you since we do not have time to conduct annual inspection before the end of this academic year.

This is for your information and kindly acknowledge the receipt of this letter.

Yours faithfully,
