NATIONAL PRODUCT EXPO FOR RESEARCHERS

VALLUVAR EXPO 2020
ON
AGRICULTURE AND TRADITIONAL MEDICINE
DATE-30.03.2020

Organized by
Thiruvalluvar University

Show case your inventions and Projects

Theme of Valluvar Expo 2020

The power of research and knowledge sharing is the one in which Thiruvalluvar university strongly believes. Innovative Agriculture is ensuring that new models of farming and Agricultural production are evolving and bringing fresh approaches to the ways food is grown and distributed. Traditional medicines, particularly herbal medicines, have been increasingly used worldwide during the last two decades. Our University encourages the inventions and innovative products of agriculture and traditional medicine. The Expo is expected to inspire the researchers & students to show case their innovative projects of Agricultural and Traditional Medicine.

உழுதுண்டு வாழ்வாரே வாழ்வார்மற் றெல்லாம்
தொழுதுண்டு பின்செல் பவர்.

(குறள் -1033)

Who ploughing eat their food, they truly live:
The rest to others bend subservient, eating what they give.

உற்றவன் தீர்ப்பான் மருந்துழைச் செல்வானென்று
அப்பால் நாற்கூற்றே மருந்து'

(குறள் -950)

For patient, leech, and remedies, and him who waits by patient's side,
The art of medicine must fourfold code of laws provide.

About Vellore

Vellore, a district capital in Tamilnadu, is well known for its stately fort and temple. Vellore, the fort city of Tamilnadu is located on the National Highway of Chennai to Bangalore. It is well connected by rail and road network with just 130km from Chennai and 210km away from Bangalore. The nearest important places include Tirupathi (140km), Yelagiri (76km) and Tiruvannamalai (80km). Vellore's history records to several dynasties and powers. Vellore has the historical background to spark the first war of independence in 1806.
