Ph.D. REGULATIONS

(With effect from July 2019 onwards)

1. PREAMBLE

The Degree of Doctor of Philosophy (Ph.D.) is awarded to a candidate who, as per these regulations, has submitted a thesis based on the original research either in any particular discipline or involving more than one discipline (inter-disciplinary) that makes a contribution to the advancement of knowledge, which is approved by duly constituted Board of Examiners as required.

Notwithstanding anything contained in these Regulations or any other Rule or regulation, for the time being in force, this University shall not conduct M.Phil. and Ph.D. Programmes through distance education mode.

The number of available seats for Ph.D. Programmes shall be decided well in advance and notified in the University website and widely advertised in popular dailies to conduct admission on a regular basis.

2. BOARD OF RESEARCH

Board of Research Studies (BoRS) is an Advisory body constituted by the Vice-Chancellor and approved by the Syndicate. The BoRS is aiming to discuss and frame the rules and regulations of both Ph.D and M.Phil programmes, including, recognition of Research Centers and approval of Ph.D. guides. On an annual basis, the BoRS also decides a predetermined and manageable number of doctoral students depending on the number of the available eligible research supervisors in the departments and sanctioned strength of research students allotted by the University.

The BoRS prepares plans to encourage the teaching faculty of Colleges and Departments of the University to carry out the research work and help them to apply projects to different funding agencies. It also creates awareness among the teaching staff, targeting particularly, young people to apply for projects by providing them the format of different funding agencies, and to recommend for establishing central equipment facility and to help the research scholars of the Departments of the University and Colleges for their research work.

Persons from various academic categories of the University / Eminent professor from affiliated colleges will be nominated as the members of the BoRS by the Vice-Chancellor followed by the approval of the Syndicate.

The BoRS shall meet as and whenever necessary and recommend to the Syndicate the necessary rules/norms. The recommendations of the BoRS will be placed before the Academic Council and the Syndicate for approval.

3. RECOGNITION OF RESEARCH CENTRES

- (iii) The Vice-Chancellor with the consultation of the BoRS, will decide on granting the necessary permission for early submission.

30. ADJUDICATION OF THE THESIS:

Maximum period of one month time should be given to examiner for acceptance. A reminder e-mail after 15 days shall be sent to the examiner within this one-month period. The Director, Centre for Research shall include this information in the letter sent to the examiners.

- ❖ The **Vice-Chancellor** will choose **One Examiner** from each category to give priority order as 1,2,3, and 4. If the first examiner declines, Director, Centre for Research can process the thesis to second examiner, three and fourth examiner for evaluation, if necessary.
 - ❖ **Maximum Period for Adjudication:** Maximum period of one month time should be given to examiner for acceptance. A reminder e-mail after 15 days shall be sent to the examiner within this one-month period. COE shall include this information in the letter sent to the examiners. If acceptance is not received from the first examiner within thirty days then the Director, Centre for Research shall contact the second and third examiner accordingly. To expedite the evaluation process of the Ph.D thesis within a month after the thesis submission (Both national and international examiners reports)
- a) As soon as the synopsis and panel of examiners are received, the University shall take steps to fix the board of examiners without waiting for the receipt of the thesis, after due verification of the fulfillment of research paper published as per the provisions in the Ph.D., Regulation.
 - b) Each Examiner appointed by the University to adjudicate the thesis shall be requested to send his / her report to the Controller of Examinations within ONE month from the date of receipt of thesis. Provided further that no close or

- immediate relative of the candidate / supervisor be appointed to act as an examiner.
- c) The Board of Examiners so appointed shall evaluate the thesis and the reports on the merit of the candidate for the award of the Ph.D., degree. Each examiner is expected to give a detailed report on the thesis apart from a proforma for adjudication. The Board of Examiners shall report on the merit of the candidate as "Highly commended", "Commended", "Not Commended", or "To be Resubmitted".
 - d) The report of the examiner should include,
 - a. Critical review of the work carried out by the candidate as expressed in the thesis.
 - b. A definite recommendation as to whether the thesis attains the standard for Ph.D., degree or not.
 - c. Corrections to be made, questions if any to be asked or points to be clarified at the public viva- voce examination

Online Courses

Introduction

The curriculum in all disciplines shall be infused with the set of company selected materials from other disciplines, connect them under practice, collaboration with industry and opportunity of variety of internship. The curriculum deliver shall focuses on giving students the ability to apply their knowledge and skills in different fields inculcating problem solving skills for the societal problems, following moral and ethics, to reflect socio-cultural context.

University department ensure the optimal learning environment and support for students by engaging with the students with effective pedagogy and online courses offered by the teachers of the university.

Open and distance learning shall be provided to expand the opportunity for rural students to inculcate lifelong learning. The course offered on open and distance learning may be converted into online courses with the credit transfer as given below.

MOOCs in India and Abroad

- There are various notable institutions, both non-profit and commercial, that offer online courses worldwide with the help of MOOC providers. A few of these are listed below,
- **NPTEL (India):** Indian Institutes of Technology (IITs) and Indian Institute of Science (II Sc.) offer online courses through this platform which require no registration and are free of cost.
- The University Grants Commission (UGC) along with the HRD (Human Resource Development) Ministry has launched the MOOC program in India for higher secondary, Bachelors and Masters degree holders, which will cover a wide range of subjects that may or may not be taught in regular campus studies.

Future and Scopes of Online Courses

As it is being pointed out, Online Courses cannot replace the traditional approach of classroom learning but it can be used as an alternative method to bridge the gap

between various schools of learning. It has been said however that Online Courses has certain limitations which are listed below:

- Although digitalization is a must now, there are many nations that are unable to provide the basic necessities to enroll for Online Courses hence the spread of Online Courses are limited.
- It is not always certain that all Online Courses provide degrees, certificates and/or diplomas which limits the number of candidates that enroll for these courses as many companies ask for records of the education levels achieved and candidates are unable to provide them with the same.
- A student's life is confined to one room that has internet access and a laptop or a computer which allows little or no interaction with the outside world.
